A REAL GIRLS RETREAT

With Multi-Published Children's Book Author and Speaker
Mona Hodgson

“For a long time, Esther has been one of my favorite Bible girls. Beauty. Bravery. Royalty. Intrigue. Victory. What a story!” says Mona Hodgson. “Several Bible girls have captured my attention and tugged on my heart. I wanted to share the timeless truths offered in their stories with today’s girls of all ages. That’s why I wrote *Real Girls of the Bible: A Devotional* (Zonderkidz).”

And that’s also why Mona is making herself available to present mini-dramas at **Real Girls Retreats**.

WHAT IS A REAL GIRLS RETREAT?

It’s a Saturday get-together for girls and the women in their lives (mothers, grandmothers, aunts, or big sisters). A **Real Girls Retreat** is a day packed full of *Real Girls* fun and laughter. Mona is also available for weekday, overnight, or weekend **Real Girls Retreats**.

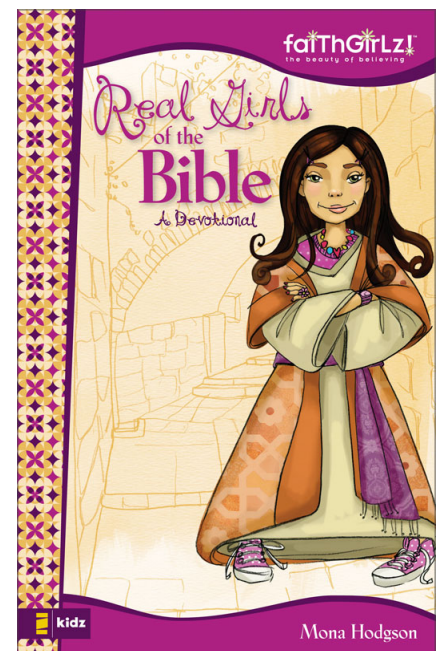

Your retreat might include singing, skits, crafts, and manicures interspersed with Mona’s Snapshot Dramas of Bible Girls who make great role models for our faith walk.

Mona’s current Real Girl Snapshots include:

On the Road with Ruth

In the Kitchen with Martha

At the Palace with Esther
